

# LINKS BETWEEN THE INSTITUTE AND THE BUSINESS COMMUNITY

The IAE has two main focus points:

Participating in ongoing projects and assisting in resolving existing problems through:

- Internships (from 2 to 6 months)
- Teacher-monitored projects throughout the year
- Sandwich-education through the professionalization or training contract

Customized programmes and solutions to develop employees' skills through:

- Crediting work experience
- Specific diplomas
- Training management skills
- Consultancy and research

IAE, University School of Management

HOUSE OF ENTREPRENEURSHIP (MAISON DE L'ENTREPRENEURIAT)

The House of Entrepreneurship is a mission of the University of Limoges linked to the Institute. It is also the Limousin sub-branch of the Student Entrepreneurship Division (PEPITE Pole Etudiant pour l'innovation, le transfert et l'entrepreneuriat) in Limousin-Poitou-Charentes:

Its mission is to show through training courses, interventions and conferences, that starting a business can be an opportunity for future university graduates.

In particular, The House of Entrepreneurship organizes the "Campus Entrepreneur" challenge. **Being an entrepreneur is something you can learn!**
